# 12/12 in L.A. & 3 Pianists

Rick Meghiddo · Wednesday, January 1st, 2020

This short documentary tries to connect dots between three disparate experiences that happened in a single day, 12/12/2019. The dots are a brainstorming session with old friends, a visit to a new working environment in Hollywood, the discovery of an art studio by the Los Angeles River dedicated to environmental art, and three piano performers, which I didn't know.
