## 375 E-books, Free!

Cultural Daily · Thursday, September 13th, 2012

Courtesy of our friends at [Open Culture](#), who scour the Internet for what's new, revealing and extremely affordable, comes this list of free e-books for Kindles, iPads, mobile devices and reading online.

From Aeschylus to Zola, with Gaiman, Kafka and Proust in between, there are so many hours of reading pleasure and deep thinking that it makes our heads spin.

Which is what the electrons do, when they zap from various servers onto your device, so you can turn virtual pages. Enjoy!

*This collection features free e-books, mostly classics, that you can read on your iPad/iPhone (purchase), Kindle (purchase), Nook (purchase) or other devices. It includes great works of fiction, non-fiction and poetry. To learn how to load books to your Kindle using the links below, please watch this video. This other video explains how to upload epub files to a Nook.*
