The Making of Donald Trump

Adam Leipzig · Wednesday, June 29th, 2016

David Cay Johnston is the best investigative reporter I know. I first became aware of his work at the LA Times when he did exposés on the LAPD's covert operations, and I have followed his writing since, at the New York Times, Reuters, and, more recently, Politico. He's won the Pulitzer Prize plus (disclosure that we're friends) he's a really great guy.

For the past 30 years, David has been covering Donald Trump. Now David is racing to complete *The Making of Donald Trump*, his newest book which will be on sale August 2. It's sure to contain detailed reporting and a host of revelations.

I'm encouraging all Cultural Weekly readers to **pre-order this book right now**, so it has strong initial sales at Amazon, which will boost awareness of it even more. In fact, order two copies: one for yourself, and one to give to someone who is undecided about how to vote.
