Antony and the Johnsons: 'Cut the World'

Majestic Imaging · Thursday, August 23rd, 2012

The music of experimental indie band Antony and the Johnsons combines rich melody with strong political and gender analysis. This video is the title track of their new album. It contains some violent imagery.

The lyrics are:

for so long i've obeyed that feminine decree i've always contained your desire to hurt me but when will i turn and cut the world? my eyes are coral, absorbing your dreams my heart is a record of dangerous scenes my skin is a surface to push to extremes but when will i turn and cut the world?
