Artist John Baldessari, as told by Tom Waits

Cultural Daily · Wednesday, May 23rd, 2012

This little movie was commissioned by LACMA and directed by Henry Joost & Ariel Schulman. One artist, six minutes, a lifetime of work! Musician/songwriter Tom Waits narrates this little piece of joy about artist John Baldessari. John Anthony Baldessari is an American conceptual artist known for his work featuring found photography and appropriated images.

Our thanks to *Cultural Weekly* reader Satsimran Kaur for bringing this to our attention.
