The venue for the Super Bowl changes every year and it is never played at the same venue in succession. If you are lucky enough to get tickets to the Super Bowl, it is a fantastic occasion but it is just as great a day if you find the [perfect sports bar](#). Below you will find details of the best sports bars in the US to watch the Super Bowl final.

Super Bowl Sunday is like a national holiday in the United States and you want to find a sports bar that provides big screens, good drinks, and great food. With that in mind, we start with Mustang Harry's in New York City. Here you will find the perfect blend of good food, drinks, and screens to watch the Super Bowl. Situated close to [Madison Square Garden](#), it does not matter if you want to attend with a partner or a large group, there is plenty of space in Mustang Harry's. There are plenty of big screen televisions around the place and they even have audio in the toilet, so you will not miss out on any of the action when nature calls. The hot dogs are tremendous and there is a broad selection of beer with which to wash them down.

If you want to enjoy some other form of entertainment during the Super Bowl or at half-time 10Pin Bowling Lounge in Chicago is ideal. Located near the Marina City district's House of Blues, the name of the establishment gives it away and the 10Pin Bowling Lounge is home to a selection of bowling lanes plus a huge HD video wall, which is one of the largest in Chicago. Unlimited bowling and a pizza buffet is terrific value and you can spend all day in the 10Pin Bowling Lounge, watching the Super Bowl and trying to get one over your mates on the bowling lane.

You may want to have a wager on the game and if you reside in Chicago, you have an excellent selection of licensed sports betting applications at your disposal. FanDuel, DraftKings, Caesars, Barstool, BetRivers, and PointsBet are some of the sports betting apps available in Illinois and you will find a wide range of NFL betting markets for the Super Bowl [on these football betting apps](#).

On the subject of gambling, we move to Las Vegas and you are spoilt for choice when it comes to sports bars to watch the Super Bowl. However, one of the leading choices for those in the know is Sporting Life Bar, located on Jones Blvd. If you are looking for the best combination of food, beers, and big screens, you will not be disappointed at Sporting Life Bar and food is served 24 hours a day, meaning you can have breakfast, lunch, and dinner. In addition to showing live coverage of the Super Bowl, Sporting Life Bar is home to several games including darts.

From Las Vegas to Miami and this is where you will find the American Social Bar & Restaurant. Serving lunch, dinner and weekend brunch, there is tasty food to suit all tastes and with Sunday

opening times 11:00am to 12:00am, you can settle in and enjoy the Super Bowl unfold. There is outdoor seating next to the Miami River so you can take a time out if the game is getting too intense, which could be the case in what is known to be a high energy sports bar.

Finally, we are heading back to New York City and on the face of it, Lillie's Victorian Establishment may not sound like the sort of place to make a great sports bar for the Super Bowl but it excels. Located at Times Square and Union Square, both establishments are home to a projector and two 100-inch televisions and there is a guess the score game, with the winners picking up a cool \$100 gift card.
