Beyond The Perimeter

Alexis Rhone Fancher · Wednesday, June 21st, 2017

I've been exploring beyond the perimeter of my beloved downtown Los Angeles, discovering anew the many marvelous, hidden bits of paradise within a few miles of our metropolis. This month's photos were taken in San Pedro, a lovely port town, just 20 miles outside the city, a straight shot down the 110 freeway. Shot in June, 2017, at San Pedro's 1st Thursday of the month Art Walk, and while strolling along the pier.
