Bibio, 'A tout à l'heure'

Cultural Daily · Thursday, June 13th, 2013

Stephen Wilkinson, better known as Bibio, hails from central England and has long been regarded as one of the most creative producers and electronic artists in the industry. His music has always been considered somewhat experimental, but he takes a new turn on his recent release from Warp Records, *Silver Wilkinson*. Enjoy the video for the song *A tout à l'heure*, which Bibio directed and for which he also shot most of the 8mm film. It's been a favorite track of NPR's New Music feature and was recently one of the most viral singles on Spotify.
