## Dermal Repair Complex Review: Does This Supplement Work?

Our Friends · Friday, July 19th, 2024

We all are aware that nobody wishes to lose their glow while aging, but this fight of wrinkles and laxity in the skin can be very difficult.

An anti-ageing supplement makes it possible to give some years back in terms of a young look, by reversing the skin aging process.

Does Dermal Repair Complex from Beverly Hills MD actually deliver results? Let's find out in some detail.

### What is Dermal Repair Complex?

Dermal Repair Complex is a dietary supplement by Beverly Hills MD, a cosmetic company founded by plastic surgeons Dr. John Layke and Dr. Payman Danielpour.

It's designed to combat visible signs of aging from within, providing essential nutrients for a youthful complexion and healthy collagen.

This supplement is taken daily in capsule form, aiming to firm and soften the skin while reducing wrinkles over time.

### Get Youthful Glow With Dermal Repair Complex

### Key Ingredients

It contains vitamins, minerals and herb extract. The bioactive agents are:

- **Saw Palmetto:** An herb traditionally used for prostate health support and thought to block DHT, a hormone linked to skin aging. While it may aid skin elasticity, studies on saw palmetto's sole effects on skin are limited.
- **Methylsulfonylmethane (MSM):** A sulfur-containing compound purported to contribute to the formation of collagen with anti-inflammatory properties beneficial to the skin.
- **Hyaluronic acid:** It is a remarkable molecule capable of holding the equivalent of 1000 times its weight in water. It is known to hydrate and plump out the skin. Taken orally, it could help to facilitate skin moisture and improve the reduction of wrinkles.
- **Vitamin A:** This nutrient is crucial for skin health and is infused into a myriad of anti-ageing products. It improves the rate of skin cell turnover and, therefore, minimizes both fine lines and

wrinkles. The compound is added here in the form of retinol palmitate, categorized under vitamin A.

- **B Vitamins:** A class of vitamins that includes biotin, niacin, and riboflavin, all doing their parts for skin health, from supporting cellular metabolism to aiding in the retention of skin moisture. Biotin is primarily associated with hair and nail health.

## How Does Dermal Repair Complex work?

Dermal Repair Complex is meant to nourish your skin from the inside. Collagen and hyaluronic acid are supposed to restore both elasticity and hydration in the skin.

Saw palmetto might help block DHT, a hormone contributing to skin aging. All the vitamins and minerals will give the much-needed nutritional support for all the happenings on the overall skin.

This makes the supplement targeted to improve skin firmness, smoothness, and radiance over time for multiple causes of skin aging.

## Pros and Cons of Dermal Repair Complex

### Pros:

- It contains clinically proven ingredients.
- May contribute to overall skin hydration and firmness
- The formula overall is generally safe and free from any glaring red flags
- Comes with plenty of positive user reviews
- 90-day money-back guarantee

### Cons:

- Comparatively costly to many other formulas
- Takes months to show results
- Not very effective for everyone

### Try Dermal Repair Complex For Visible Results

## Is Dermal Repair Complex Worth Buying?

While the Dermal Repair Complex is not to be considered a miracle elixir that takes the clock back, it does contain some ingredients that evidence suggests could actually have anti-ageing properties.

So, if you are looking for a supplement to support your skincare routine, this one might be worth your shot.

The supplement is definitely not the cheapest on the market, at the moment being sold at around \$58 for a monthly supply on the official website of the producer. Also, there is a 90-day money-back guarantee.

## Bottom Line

**Dermal Repair Complex** provides some hope that you can better achieve more youthful skin. Of course, this one capsule is not a substitute for common sense skin care. Most users report positive

outcomes; though it is not especially miraculous for all.

Regarding trying this, the key is that you give it at least a few months to see the effects, and as always, check before starting any new supplement regimen, especially if you have health conditions or if you are on any medication.

Healthy aging will be achieved from within; it is not all about appearance. Rest assured, at any liberal age, your beauty will shine from the inside.

**Disclaimer:** The product specification and the claims made about this product have not been evaluated by the United States FDA and are not intended to diagnose, treat, cure or prevent disease.
