#TBT: The End of #90for90

#90for90.

Tomorrow, we will wrap up our impossible and perfect DTLAB summer project.

We will do it with a PUBLISH! event, to bring the entire endeavor—90 literary, musical, cultural events over 90 consecutive nights—back to whom it belongs: *you*.

Wrapping up #90for90 with PUBLISH!

Join us at Traxx Bar for one final time and [get published](#). There will be all the material you need, authors to blurb your anthology, a typewriter to create new text, a microphone ready to hear you.

Thank you for a summer that none of us will *ever* forget. And whenever I look back on what happened at a train station in LA in the Summer of 2014, I will know that we can change an entire city by simply coming together to share our art.

Thank you to the thousands of people who attended and became family.

As a final post regarding #90for90, I wanted to make a full list of all the amazing people that presented at DTLAB. I am sure I will be missing a few names, especially those that participated on open mic, but if you notice I've left you out, send me a note and I will add you to the list!

Mas amor.
