The Wall Series –

“Great Wall of China”

Terry Braunstein and Victor Raphael – A Collaboration

This collaboration grew out of a professional relationship and mutual appreciation of one another's work. They were motivated to create these artworks in response to the current political environment over the last few years.

Four series of limited edition ink jet prints will be featured here over the next several months:

Climate Change, focusing on the world wide crisis caused by rising global temperatures; *The Wall*, which reflects on how walls are both barriers to human connection and inhibit those escaping persecution; *My Choice*, dealing with a woman's right to choose; and *Lessons to be Learned*, looking at the challenges and wonder of childhood.

"The Great Wall of China" is from *The Wall Series*, the fifth in a series of ten images. We will be posting one artwork from this series each week.
