Happy Birthday Week, Madonna

Majestic Imaging · Thursday, August 16th, 2012

Madonna, born August 16, 1958, is now such an icon it's easy to forget she started in scrappy New York clubs. We've found video of her very first performance, from 1982, just after she was signed with Sire Records in her first music deal.

Even in this early clip, you'll see the signs of her rising star — her self-assurance, strong voice, sexuality and style.
