Jake Bugg 'Lightning Bolt'

Cultural Daily · Thursday, September 13th, 2012

Singer/songwriter Jake Bugg, from Clifton, Nottingham, England, may be only 18 years old, but he sings like a man who's been at it for a long time. Bob Dylan comes to mind, as do Oasis and the Arctic Monkeys.

"All this contemporary dance stuff just sounds the same," Bugg told London's *Evening Standard* recently. "Most kids think, I can just buy something that goes 'Womp womp womp womp womp' and make a record. That's quite sad to see."

See for yourself how Bugg does it his own way. His debut album releases October 12, 2012. Once again, *Cultural Weekly* readers, you heard it here first. You can also find more Jake Bugg on Cultural Weekly here.
