John Frame's The Tale of the Crippled Boy

Adam Leipzig · Thursday, November 3rd, 2011

After I saw [John Frame](#)'s most recent exhibition at the Huntington, I had strange and elusive dreams for several days. It's as if he had tapped into a story that was always lurking in my subconscious, and I felt that my dreams were more like memories than stray neurons firing in the dark. You may have the same response.

Now John has launched a Kickstarter campaign to continue animation of his magical vision, and then make the work available for free. Enjoy the short video above, and then learn more about [John Frame's Kickstarter progress](#).
