 You
 Can't
 Break
 Free
 Of
 These
 Restraints
 Because
 We
 Own
 You
 And
 Your
 Voice
 So
 Don't
 Do
 Anything
 We would dis-
 approve of. That's
 What they told me
 I don't have much of
 A choice, if I tell the
 Truth I will be ruined
 Inspiration Inspiration
 Inspiration it is so easy
 To write up lies for this
 Speech that I'm about
 To spill out to the people
 The lies I'm supposed to carry
 Out to the public. There must be a
 Different way, a way I can escape
 And be free of this chokehold, maybe
 There's still a chance to fix this mess, a
 Way to bring justice back into this world
 No more corruption, no more theft, no that
 Won't be accepted, but it's not going to end
 Any time soon nor will never stop trying to

Use people like me as tools of deconstruction
To destroy this beloved country, to mislead
These people who believe every word being
Spoken from this very microphone, it happens
More often than usual and the media, puts out anything
They could get a story and ratings from. It matters not if the
Source isn't fully correct, they wouldn't know the difference between
A report or a statement forced to be given out at gun point, the
Truth is hidden in the lies, where no surface dweller will dare to
Travel to, no only somebody who questions authority can bare the
Real reason. The real reason to why they would hire someone to rally
A crowd to vote on a new world that'll leave destruction in it's wake.
Power is a funny thing, it can confuse, or strengthen any being into
Becoming something they're not, don't be fooled by these people,
They won't think twice about using that power against you, but
I've used my power to tell you this and to use your power for
Something better, maybe to improve someone else's life,
Maybe use to make your own message to the world.
Either way I've already said too much
Lies lies lies lies lies lies
