## Keep Cultural Weekly Thriving!

Adam Leipzig · Wednesday, July 4th, 2018

Dear YOU,

When you need to find culture, creativity, inspiration for your life, where do you turn?

You know you'll find what you're looking for here at *Cultural Weekly*.

Why? Because every week, you know you'll find a mix of poetry, dance, theatre, art, literature – and life itself. [Click around at the mix today](#). Isn't it amazing?

Your contributions keep it going, keep this experiment in participatory civic media heady, thrilling, surprising, challenging, inspiring, and fun. Your support has grown *Cultural Weekly* from the seed of an idea to a national, indeed global, platform that has shared the work of more than 650 authors and poets in more than 3,500 posts.

Your support creates a platform that shares poetry, dance, film, art, theatre, and cultural perspective from extraordinary writers and creatives.

And your support has birthed Next Echo Foundation, the non-profit that publishes *Cultural Weekly*.

Your support is extremely important. Without it, *Cultural Weekly* cannot exist. Which is why I'm asking for your contribution now, so *Cultural Weekly* can remain strong and grow into the future.

Your [tax-deductible gift](#) will have *immediate impact*. We're looking to expand this platform to a broader, more diverse range of voices, redesign the look, and make this important, creative work more mobile-friendly, so it will reach more and more people.

Can you give \$100? \$50? \$500? Please donate here: <https://nextecho.org/donate/>

Your donation brings creativity and culture into our world. Here. Now. And into the future.

Thank you so much for your help and support.
