A frog walks into a bar....

If a story starts like that, how can it go wrong? Especially if it's told in stop-motion animation, as the film *Frog Bar* will be. This project is largely created by students at Academy of Art University, who have launched a Kickstarter campaign to make their project a reality. They need to raise \$40,000 by October 28, 2012.

Watch their video below, then [visit their Kickstarter page](#) and make the little green guy even greener!
