Help the Key West Tide Roll In

Cultural Daily · Thursday, September 13th, 2012

Photo-documentarian Alexandra Dietz has traveled all around the world – but she’s never found a place where so many communities and cultures are tumbled together as Key West, Florida. This southernmost tip of the United states will be the focus of her next project, and she’s started a Kickstarter campaign to take her there for five months.

The project, *Changing Tides in Key West* will be exhibited at the Studios of Key West, and then may become a book as well. The project needs \$15,000 by October 4, 2012.

Watch Alexandra’s video below, then [click here to go to her Kickstarter page](#) and offer a *Cultural Weekly* rising tide.
