### NIGHTFALL IN LEKKI

Never talk of peace and justice to me  
When i am a helpless voice  
Preyed upon by a heartless pharaoh  
Nightfall has come  
This land is in doom  
And i am the lamb slain in this land of helplessness  
You still have a cause to fight  
So do not slumber that death held me tight  
Live and live, do not in love stay apart  
For tonight, it is my own last night.

With their gestapo approach  
They murder us with no reproach  
Nightfall in Nigeria  
We are the citizens whose lives  
in this hell, we are made to yell  
Every night we are in the streets  
Slaughtered by this tartarian agents.

Where is my right?  
What is my crime?  
Gnashing of teeth, the pharaoh rules  
Rights denied, i am a woman in pains of parturition  
So now that i died in this hellish land  
For the course so just, let my blood  
no matter how dark the night is be a reason to never slumber  
For nightfall has come, do not be in coma.
