Liberated images suite for Next Echo

Maurice Amiel · Wednesday, August 8th, 2018

Suite

Suite as a musical genre, suite as in “donner suite” i.e. follow up, suite as open-ended enterprise, on CW or elsewhere.

Suite as in “tout de suite” i.e. right away, I hasten to go weekly to beat the ominous budgetary deadline of September ... reader, please hasten to [donate](#)!

Liberated image

These four images were taken by a roving eye and a liberated image attitude in relative independence, if not transgression, of the “programmed” type of photo documenting a text.

Their reality is the only message I wish to communicate: “I was there” as my mentor Lee Friedlander would say about his work ... the looker-reader is invited to interpret them as he or she sees fit.

As such they may be seen as constituting a [political and aesthetic manifesto](#) of sort previously [presented](#).
