LIFE AFTER BIRTH ABHORS THE SCHMUCK IN CHIEF

Carol Green · Wednesday, July 29th, 2020

No wonder this fake fuck president is hated more than Dr. Fauci and just about everybody else in the world — except dictators, of course. He's got hatred on his mind and cooties in his Covid mask. He breathes racism, jealousy and narcissism so deep, it goes all the way to China. This is world class scum. And scum, by the way, is insulted by the comparison. Don't let him destroy the post office so he can steal the election and make sure you'll never get another Christmas card again. This shit is real. Sign up now to VOTE TRUMP OUT!
