Julie Hébert · Thursday, September 10th, 2015

Melinda White, Frontier Communications West Region President, lets us in on the powerful perspective of her boss and mentor **Maggie Wilderotter**, a rare female Chairman of a Fortune Five Hundred company and one of the most influential business leaders in America. **Maggie** makes herself available to employees and customers alike, modeling a kind of leadership with an emphasis on communication and ensuring each individual feels respected and a vital part of the mission. Do women lead differently? Check out the interview and decide for yourself.

“It’s about more than the bottom line, it’s about paying it forward.”

With our new backyard video project, *Look What She Did!*, we are creating an ongoing archive of short videos celebrating crazy-great women as told to us by... crazy-great women. See more videos posted on our YouTube channel and our Facebook page. All of us working on this project are having a blast and are fired up about sharing these inspiring stories with you.
