A Mother's Influence, in Art and Song

Cultural Daily · Thursday, May 9th, 2013

As a loyal Cultural Weekly reader, you'll remember Weba Garretson's album *Such Is Love*, which we featured as a Kickstarter of the Week. (Did you know that more than 75% of the crowdfund projects we share with you achieve full funding? You readers are the best!)
Weba has just released this video love letter to her mother, praising her mother's influence on her music, including her new album.

You can now get Weba's completed album here.
