## Nation Watch: February 23, 2017

Jessica Ceballos Campbell · Wednesday, February 22nd, 2017

As social actions around the world demonstrate, the people listen, the streets listen. A vast, strong community seeks a world of greater compassion and justice. Politicians listen too, when there are enough people in real and virtual streets.

Cultural Weekly's **Nation Watch** highlights topics you may wish to take action on. We also wish to alert you to **DCReport**, a new website dedicated to investigative journalism of what the President and Congress *do*, not what they say, founded by Pulitzer Prize-winning reporter David Cay Johnston.
