ONYI LOVE · Friday, August 14th, 2020

Songs of Soothing is an album by ONYI LOVE (Felicia Richards) that blends prayer, sound healing, meditation, storytelling and her love and reverence for and take on sacred Afro-Cuban Orisha music–blending traditional elements with her creative flair. You are encouraged to listen from start to finish with no interruption, if possible, and feel the shift from one version of yourself to another.
