Pay a Visit to 'Night Vet'

Adam · Thursday, May 9th, 2013

✖ Every once in a while, a talented group of creative people get together on an idea that's fun and touching — and could spin off to a potential web series.

Introducing *Night Vet*. It's a short film about a woman who brings her dog to an all-night animal hospital never realizing that it is she who will be healed. The creative team (writer/director Julie Cobb and actors Joanna Cassidy, Larry Miller, Irma P. Hall and James Cromwell) has launched a Kickstarter campaign to turn their vision into reality — they need \$35,000 by June 5, 2013.

Take a peek at their video below, then [visit *Night Vet* on its Kickstarter page](#) and give the good doctor some support.
