Traditional Animation Is Alive and Well

Revengeance Feature Film a Go. Raises Over $90,0000.

Bill Plympton going for the Stretch!

It is with great pleasure that we report that *Revengeance*, a new animated feature film from independent creators Bill Plympton and Jim Lujan, has reached its funding goal on Kickstarter. As you may recall, we recently featured it as one of our Kickstarters of the Week, so we couldn't be more pleased to see the support given to these two highly talented individuals. This is the third successful Bill Plympton Kickstarter!

This means the project moves forward, with Matthew Modine and Dave Foley both joining the cast, with a release date sometime between the end the 2016 and early 2017. And to top it off, they not only met their funding goal, but exceeded by over $10,000. Well done lads!

There is still much work to be done on this project so check in on the official website from time to time to check on status and see how you can help. In the meantime, watch this thank you video from Bill Plympton and Jim Lujan, along with the recently released teaser trailer for *Revengeance*:
