The Season of Spring Turns Blanks Into Art

Cultural Daily · Thursday, February 27th, 2014

“?” is the symbol of Spring. This March Flower Pepper Gallery in Pasadena, California, welcomes the season with a group show curated by “the world’s most adorable art critic” – Daniel Rolnik. Fresh flowers and awesome art will blossom into your imagination and fill your hearts with happiness at the not-to-be-missed Season of Spring opening reception on March 1st, 2014 from 6:30 pm to 9:30 pm.

“I’ve sent 138 artists from all over the world blank art packs. They then filled the packs with 2 original works of art as well as bonuses like pencil sketches, zines, buttons, books, rings, and all other sorts of awesome art objects. I believe there is a wonderful connection between a work of art and the artist that created it. So, I have travelled the globe to put together this all-star group of artists with positive attitudes, happy hearts, and beautiful images that I can’t wait for you to see! YAY!!!” Daniel Rolnik told us. We told him he should put a trademark symbol after The World’s Most Adorable Art Critic. Because after all, he is.
