The Secret City – Season 10: Art! Community! Joy!

Cultural Daily · Wednesday, September 28th, 2016

The Secret City, the world-renowned, award-winning performance gathering for people who believe in the arts, is about to enter its 10th season and is starting [its annual fund drive](#). As they tell us:

IT'S OUR MOST EXCITING SEASON YET! Hard to believe we're launching our 10th season. Incredible. It's been an amazing year: we dedicated ourselves to building infrastructure: hiring 2 staff members, increasing our annual budget by \$20,000 and paying more of our artists. And the impact has been HUGE! Not only is the organization running a lot more smoothly but our events are more powerful and more packed than ever. (Funny how that works...)

This coming season, we've got even more fantastic stuff coming up: we're moving to a new, larger venue in NYC. On top of all that, we'll be presenting more performance, visual art, food, live music, games, community interaction, storytelling and all of the other juicy stuff that folks have come to expect from our events.

WHERE DOES THE MONEY GO? This campaign accounts for 20% of our annual budget.

We love **The Secret City**. They need to raise \$20,000 by the end of October, 2016. Let's show our support! Go here: <https://www.indiegogo.com/projects/our-10th-season-art-community-joy#/>
