Support the Global Anti-Bullying Campaign

Cultural Daily · Saturday, April 25th, 2015

Abuse has no boundaries, no borders. It's everywhere and can touch anyone's life. We're here to do everything we can to prevent it from touching one more life. In conjunction with the Canadian Centre for Abuse Awareness and the Center for Abuse Awareness in the USA, AbuseHurts International has formed as an umbrella agency that will assist abuse-related organizations around the world. The focus for this particular campaign is BULLYING.

The Fall of 2015 will see the launch of a world-wide anti-bullying awareness campaign and AbuseHurts International will be managing the worldwide distribution of the designated proceeds. This involves careful planning and execution. That's where you come in. Please help AbuseHurts International complete the preparations needed in time for this history-making initiative. Together, it can be done!

Please watch the video, then [go to the indiegogo campaign](#) and give generously.
