Susie Landau Finch on the Insightful Milena Canonero

Julie Hébert · Thursday, June 9th, 2016

In 1984, a last minute request for film extras led Susie Landau Finch to the set of *The Cotton Club* where she was dressed by Academy Award-winning costume designer Milena Canonero. That perception-altering experience made a lasting impression on Susie, inspiring her to share Milena's talent, insight and impressive legacy with the *Look What She Did!* community. Enjoy her story about uncovering authentic beauty.

"She made me feel I was 'off-center' beautiful, and that was ok."

With our backyard video project, *Look What She Did!*, we are creating an ongoing archive of short videos celebrating crazy-great women as told to us by… crazy-great women. All of us working on this project are having a blast and are fired up about sharing these inspiring stories with you. Take a look at our social media and let us know… Who is YOUR astonishing woman?
