Tall Tale Contest! How I Broke My Ankle

Adam Leipzig · Tuesday, January 6th, 2015

There are three bones in the ankle, and I hit the Trifecta on January second. It's going to require surgery to put in some screws and plates and other titanium things that should set off metal detectors across the country, and I will be laying low for the next few months, house-bound but still intellectually dangerous.

Everyone wants to know how it happened. The truth is fairly prosaic. So I am calling on you, Cultural Weekly readers, to help me come up with a grand entertaining Tall Tale that I may repeat and expand upon in the coming weeks.
