The PUBLISH! Photo Gallery

Chiwan Choi · Thursday, June 6th, 2013

I'm still trying to get my brain back to this ground level reality after a mind-blowing weekend underground in New York. It's not helping matters that my back is killing me from the flights and trains and buses and the jerkiest cab ride to JFK on Monday.

I want to do justice to PUBLISH!, the two day event we put on and experienced, and trying to write about it right now would completely fail. There are too many things that are still swirling in there in my head to just rush something out. So give me a couple of weeks and I'll better be able to revisit it.

But for now, here are some photos I took. Hope you enjoy them and at least get a glimpse of what went down. And I promise I'll do a proper recap soon(ish).
