Tom Antos: Wanna Make a Music Video?

Cultural Daily · Thursday, October 18th, 2012

Tom Antos has made a name for himself sharing filmmaking knowledge through his videos on YouTube and Vimeo. He's now turning his attention to training filmmakers how to make hip hop, rock and pop music videos, and he's launched a Kickstarter campaign to create the trainings and pay for the music rights. Tom needs to raise \$5,000 by November 1, 2012.

We are huge supporters of people who share their knowledge, and we know it is never free (or inexpensive) to offer free (or inexpensive) education. Enjoy Tom's pitch video below, then [visit his Kickstarter page](#) and give some Cultural Weekly support for bringing more and better music videos into the world.
