Artists in the Face of War

Cultural Daily · Thursday, April 18th, 2013

Know 'em before you bomb 'em. That's what we always say when the US starts a new military adventure.

And that's why we fell in love with our crowdfunding opportunity this week. *Creative Despite War* is a documentary film about four of the most innovative young artists in Afghanistan. After two years of visiting repeatedly Afghanistan to follow the development of our characters, the filmmakers are just one visit away from concluding story and starting the post-production. They've started a Kickstarter campaign to support finishing and marketing the film and need to raise $30,000 by May 9, 2013.

Watch their video below, then visit their Kickstarter page and support the young artists of Afghanistan and this film about them.
